Dear Sir:

In addition to the Request for Reconsideration filed via facsimile on August 18, 2005, Applicants are submitting a one month extension of time to cover the time lapse in receiving the entire facsimile before the due date expired. Although the transmission of the Request was initiated on August 18, 2005, the Auto-Reply Facsimile Transmission from the Patent Office indicated that the transmission was not completed until 12:10 AM on August 19, 2005. Should an extension of time be deemed necessary, Applicants are submitting herewith a Petition for an Extension of Time for one month, with an authorization to charge our deposit account for the necessary fees.

Respectfully submitted,
